Message from Inspector Jo Walmsley

Happy New Year to you all. We hope you all had a good Christmas. For us, it is always a busy time of the year trying to keep everyone safe as they celebrate the festive season. Although we did see a rise in calls, the holiday period went fairly peacefully in both Thetford and Attleborough. Please remember to property mark your new Christmas presents and note any serial numbers so they are more traceable should they ever be lost or stolen.

My main message to everyone in these dark winter months is about crime prevention. Please make sure that all valuables are removed from cars and all cars, sheds and especially houses are kept locked and secure at all times, even when occupied. We see far too many crimes committed by opportunists who enter unlocked cars and buildings. It also helps to leave some lights on or to use timer switches to give the appearance that your home is occupied especially during the late afternoon and early evening. For any other crime prevention advice, please refer to our website.

Theft of pedal cycle	0	From a public place, if stolen from a shed or garage this would be a BOTD.
Theft from a person	0	Purse being taken from a handbag, or a mobile phone from a shopping basket.

Message from your Engagement Officer

We are urging residents to be vigilant as reports of heating oil thefts increase during the winter months. In Norfolk there were 100 incidents in 2016 where heating oil was a factor. There have been more than 110 in 2017 so far.

The increase in the price of heating oil can result in oil tanks being targeted by thieves and we would urge people to take some simple measures to secure them.

Just keeping an eye on oil levels in your tank and fitting a good quality locking device is a good start, but we'd also recommend installing security lighting or CCTV cameras.

We're also asking communities to be vigilant and report any suspicious activity. If you spot something suspicious at a friend, neighbour or relative's house, or at a nearby business premises, call police on 101 or dial 999 if a crime is in progress.

What is happening in your area

There has been a rise in Anti-Social Behaviour (ASB) by youths in the Town Centre and on the Pine Close and Redcastle estates during the evenings. We have managed to identify a number of persons involved and are working with parents, the local and District council, the Academy and other agencies to address both short and long term issues. If you are experiencing any issues or can identify those involved, please report this to us.

Over the last month there has been a rise in Theft from motor vehicle offences across the Town. These mainly occur overnight. If you see any suspicious persons or activity, please report it immediately so we can catch those responsible. Please also remember to "Lock it, or lose it!"
